NVOCC / FREIGHT FORWARDING:

Ontime Worldwide Shipping & Logistics is a young and dynamic NVOCC with a wide experience in international transport. A personalized service is the key of success with our specialized staff, assisting traders to move their goods both inland and overseas all over the world. Beside arrangements for routing, pricing and documentation the company also advise stowage matters and handles transport insurance.

This is mainly achieved by grouping / consolidating cargoes as purchased or sold by numerous individual or possibly isolated traders thereby promoting FOB purchases and C&F, CIF sales. Our trained staff can also furnish advice on the best methods of moving all type of cargo by road, sea and air.

That includes the provision competitively priced marine insurance, advice on routing and expert assistance with customs clearance procedures, including customs clearance and payment of import duty and VAT. This department is the main stage of the shipping trade and its extremely important to plan out the canvassing trade in different regions, always had a psychological effects for a new liner services inducting in. Its considerable noted by the trade for a span of time and gradually by the passage of time they make good use of the services as you aware it's of utmost important that proper advertisement and publication is required to introduce the line and the service pattern.

Each and every sales representative has to educate the trade with the new services more or less shippers do prefer best competitive freight rates as offered by the line the exporters boost their business. However the success of a good lifting and market share lies in the efficiency of sales force which we, can guarantee as we do have consistent efforts to sale our product in Malaysia & the region where most of the exporters are made through special efforts securing nomination from the importers by stipulating the name of the services on relevant letter of credit.

However we are foundation and commit with your absolute support on long terms basis with our trade, our marketing personnel and management aims to develop a new breed of shipping management skills in local market.

DOCUMENTATION:

We have fully computerized documentation system hence no chance of any discrepancy in the shipments, every individual of all departments has its separate domain of e-mail and all the manifest, releasing messages are send by e-mail and fax, due to the reason records are maintained hand to hand on our secured database system. All documentation i.e IGM, EGM, Manifest, Bill of lading, Container status report, and Loading program & Vessel voyage reports are computer generated.

CHARTERING & TRADING:

Our chartering department always offers prompt and complete services, all inquiries are welcomed and handled with utmost attention. Ontime Worldwide Shipping & Logistics Shipping will find you tonnage and / or space for any kind of cargo (Bulk, General, Reefer, Project Cargoes of Heavy and oversize Cargoes).

Ontime Worldwide Shipping & Logistics books cargo for company vessels and third parties, and also act as intermediary between shipper & ship owners. We are doing worldwide chartering dry bulk cargo and with collaboration of our various valued ship owners, operators, managers, charters and pattern who's every type / size of vessel are running globally on time / voyage charter basis and with their absolute support. Therefore please keep us regularly inform your / yours principles vessel position and cargoes availability for worldwide transportation including project and heavy lift cargoes with confidence in order to offer you suitable cargo for your / yours principles vessel and suitable vessel for your cargo available with attractive freight and best workable terms to meet your all chartering requirements very satisfactorily.

CUSTOMS CLEARANCE:

One of the main activities of Ontime Worldwide Shipping & Logistics is customs clearance and delivery of cargo. Whether the goods are foodstuffs, machinery, general cargo or personal affect our experience and expertise in the clearance to their particular requirements. Whether they are imports, exports, transshipments or re-exports.

The most prominent aspects of cargo clearance is documentation - filling of bills of Entry or Shipping bills, applications for duty Exemption, preparation & attestation of documents etc with chamber of commerce, General Industrial Corporation or any other authority are processed in a timely manner.

There is also the matter of duties deposits, refunds and Ontime Worldwide Shipping & Logistics can correctly advice which is applicable in each individual case. The complexities of customs clearance of cargo at the airport or the seaport vanish, and delivery of goods is carried out to any destination without any hassle in the quickest possible time.

Ontime Worldwide Shipping & Logistics has a team of dedicated professionals who can advice (free of cost) documentation requirements, best modes of transit, savings in freight, packing ideas & local rules and regulations.

- › *Platform Containers.*

Further company can assist in hiring containers on long-term lease for multinational companies, or shipping line. Anywhere in the world if you want to buy or sell the containers we can offer you guaranteed better price with quality.

AIR FREIGHT HANDLING:

Malaysia has developed into a major hub for air traffic between Europe, North America and Asian destinations. This has increased volume of transit movements in addition to the cargo business.

Ontime Worldwide Shipping & Logistics has kept pace with the increasing demands for air cargo imports/export in Malaysia.

We offer consolidation services from all major cities worldwide. Our freight partners, conveniently located all over USA, Canada, Europe, South-East Asia, Africa, South America and Australia are in constant contact with us, enabling us keep track of your cargo from the moment it leaves the warehouse, up to final destination.

Our air freight operations are supported by an effective communications system, state-of-the-art facilities and a skilled professional team whose expertise guarantees the most reliable and cost-efficient method of moving cargo of every size and description.

OTHER EXPERTISE:

Land transportation (Road & Rail)

- › *Cover all inland destinations*
- › *Provide full load & groupage services*
- › *Excellent network with the National Railways*

AFGHAN TRANSIT CARGO:

We take this opportunity to introduce our company as one of the leading shipping services provider for Afghanistan, our regional office operating in Pakistan and having qualified and experienced staff to give best services to our valuable customers.

We are just a call away to get you a competitive rate for all your shipping needs with highest level of services for cargo movement to Afghanistan from all over the world, whether you are shipping a small package or a full container load.

Ontime Worldwide Shipping & Logistics is fully geared even more now to handle adept trucking requirements from anywhere. There being no alternative mode of entering into Afghanistan the cargo in de-stuffed and stuffed onto our network of trucking.

(A) GATEWAY TO TRANSPORT CARGO TO AFGHANISTAN:

Following are the routings for cargo destined to various parts of Afghanistan via Gateway Karachi - Islamabad/Rawalpindi - Lahore - Peshawar - Quetta - Kabul. The nearest Sea Port for import of Cargo into Afghanistan is Karachi, Pakistan.

Pakistan is in the most advantageous position in Afghan Transit Trade, (ATT) where Port of Karachi plays a major role as hinterland port and "GATEWAY" to Afghanistan and Central Asian States, Countries.

There is no rail network in Afghanistan and all trade is conducted by land route from Pakistan and other neighboring countries. Cargo for Afghanistan in Transit via Pakistan (Karachi /Port) is exempted from Custom Duty and taxes in Pakistan. However, a Special Custom Cell processes and examines the cargo at Karachi Port. All cargo i.e. containerized or break-bulk is forwarded by Road from Karachi to the Customs Posts at following location.

1. Peshawar/Torkham for Cargo destined for Jalalabad/Kabul.
2. Quetta/Chaman for Cargo destined for Kandahar & Herat.

Service includes:

- › *Clearance*
- › *Loading / Unloading*
- › *Trucking*
- › *Tracking of shipments using satellite*

(B) ONTIME WORLDWIDE SHIPPING & LOGISTICS SERVICES FOR AFGHANISTAN:

We are proud to introduce ourselves as one of leading, famous and reliable freight forwarders for Afghanistan. Our regional office based in Karachi with branch offices in all major cities.

We have the following services for Afghanistan and in Pakistan as well

- › Consolidation Service to/from Pakistan & Afghanistan to Worldwide.
- › Warehousing & Distribution Facilities in Pakistan & Afghanistan.
- › Transit Container / Cargo Service.
- › Logistic Centre.
- › Air & Sea Freight Service.
- › In-land Transportation of General & Containerized cargo movement in Pakistan & Afghanistan.
- › Break-Bulk Cargo

Movement to/from Pakistan & Afghanistan to worldwide.

Since Afghanistan is a big import market of almost all kind of products from the range of food items till the supplies to Army and other forces.

As we all aware with the political situation in Afghanistan and all major shipping lines are reluctant to dispatch their shipping containers to Afghanistan by keeping this problem in our mind we specially designed a very economical and secure solutions for all our Afghanistan's customers.

We are the one who is handling a large volume of cargoes going to Afghanistan for our valuable customers. As far as the delivery of shipment is concern, we have made large number of deliveries successfully to the final receiver on time without any problems. At the moment we have good number of shipments in pipeline for the delivery to Kabul, Kandahar and other major cities of Afghanistan.

With taking the advantage of our regional office situated in Karachi near the port area and coordinating with port and custom authorities for prompt customs clearance of cargoes going to Afghanistan, port handling and also arranging transportation with NLC (National Logistic Cell). NLC is a government department in Pakistan who is controlling/monitoring the road shipments to Afghanistan.

With this team work we are able to provide “ONE WINDOW OPERATION” for all our valuable customers with highest level of services.

We are 100% correct if we would say that we are specialized in door to door services anywhere in Pakistan & Afghanistan.

(C) DOCUMENTATION FOR AFGHAN CARGO CLEARANCE:

Required documentation is carried out at Custom Post, after which the cargo/container crosses into Afghanistan. Having crossed the border the loaded trucks to the Afghan Custom House at Torkham, Jalalabad, Kabul or Kandahar as the case may be. The consignee in Afghanistan arranges the unloading and custom clearance of the cargo.
